

FAQs from Sec 2 & 3 Info Session		
My child/ ward is in...	Question/s	Responses
	OBS	
Secondary 3	How to check her tetanus vaccination status?	Parents can access their child's vaccination records through https://www.healthhub.sg/ or the HealthHub app.
Secondary 3	If my child has eczema is it possible to have her skip strenuous activities?	A medical examination has been arranged by the school and will be conducted in school on 20 February 2024. Your daughter can provide the relevant medical documents during the examination to the medical doctor for further advice.
Secondary 3	Unlike other co-ed schools, can our gals be able to cope with more gals in their team?	Students will be in mixed groups of up to 12-14 per instructor.
	EFL	
Secondary 2	My child is not keen on EFL camps as she attended the camp before in Sec1. Is it compulsory?	<p>Yes, the camp is compulsory for all students. The EFL camp is STC's flagship programme, aimed at developing portable skills for real-world problem solving and designed to nurture Theresians into future-ready citizens who demonstrate 21st century competencies. The objectives of the camp this year are different from last year and the activities have been purposefully planned to provide good opportunities for the students to bond with one another.</p> <p>More details will be made available in the EFL letter to be sent via Parents Gateway.</p>
	Subject Combination	
Secondary 2	What are the possible subject combinations for a NT student?	Information on the Subject Option Exercise will be shared through a webinar on 28 June. More details will be available at a later date.
	Other feedback	
Secondary 2	I am concerned over the rising costs of food in the canteen due to rising costs and inflation. Is there any way to resolve this?	Our school offers financial subsidy for students who meet MOE's stipulated criteria. Please call us at 64775777 to share more details so that we can discuss how we can support your child further.
