

CHIJ ST. THERESA'S CONVENT

QUESTIONS FROM SEC 4 & 5 PARENT INFORMATION NIGHT

Dear Parents,

Here are the consolidated questions from the Parent Information Night that took place on 27 March 2024.

No.	Question	Answer
1	When will 'O' Level results be released?	The GCE 'O' level results are usually released in the second week of January. The actual date of the results release would be announced through the media nearer the date.
2	Can Normal Technical students apply for EAE?	The Normal Technical students are eligible to take part in the Institute of Technical Education Early Admission Exercise (ITE EAE). This process will usually start around the end of May. Details will be updated by MOE on this website: https://www.moe.gov.sg/post-secondary/admissions/ite-eae
3	When will exam revision begin?	Teachers will generally start revision by Term 3 after completing the teaching of the syllabus. If you need specific information regarding a subject, kindly contact your daughter's/ward's subject teacher. You can also encourage your daughter/ward to be proactive in starting revision on her own and seeking consultations with her subject teachers when in doubt.

Thank you for attending the Parent Information Night. If you have any questions, do email the school at chijstcs@moe.edu.sg

Yours faithfully

Ms Joyce Tan
Year Head, Secondary 4 and 5
